Scheduling Requirements

- Carrier will need to reach out to OQ contact with order number they are requesting to pick up and requested pick up date. If carrier is 3PL, please advise which carrier will be picking up the container as instructions must be sent by OQ advising depot the correct carrier to release the tank to.
- OQ will copy carrier in release email to Boasso. Release email will include paperwork (DN/BL/COA).
- Container ID will be listed on paperwork and driver will need to present paperwork for pickup.
- Return location will be listed on paperwork for empty return. **Carrier will need to return the isotank to specified return location listed on paperwork.**
- Due to COVID-19 depot asks that drivers stay in their vehicles. The depot will handle loading of the isotank onto driver's chassis.

***Isotanks are preloaded and ready for delivery to customer.
